

ICEMES 2017

14th INTERNATIONAL CONFERENCE ON
ENGINEERING OF
MODERN ELECTRIC SYSTEMS
2017

1-2 June , 2017
Oradea, Bihor, România

CALL FOR PAPERS

The ICEMES 2017 wishes to attract academics and researchers together with their outstanding contributions in the next main fields: computer science and control systems, electrical engineering as well as electronics and telecommunications, in order to turn to account their research results, to provide a framework for cooperation partners and to develop new directions for collaborative research themes of national and international interest. **This important scientific event is an IEEE Technically Co-Sponsored conference #41081 organized in cooperation with IEEE CAS/CS Romania Joint Chapter.**

ORGANIZING COMMITTEE

Honorary Chairmen

Prof. Oszkár Bíró - Graz University of Technology, Austria
Prof. Ioan Florea Hanțilă - University Politehnica of Bucharest, Romania

Conference Chairmen

Prof. Mircea Gordan - University of Oradea, Romania
Prof. Teodor Leuca - University of Oradea, Romania
Prof. Florin Constantinescu - University Politehnica of Bucharest, Romania

Technical Program Chair

Prof. Daniel Trip - University of Oradea, Romania

Publication Chair & Information Contact

Assoc. Prof. Eugen Gergely - University of Oradea, Romania

Conference Sessions Chairpersons

Electrical Engineering Session

Lecturer Francisc – Ioan Hathazi - University of Oradea, Romania

Electronics and Telecommunications Session

Prof. Cornelia Gordan - University of Oradea, Romania

Computer Science and Control Systems Sessions

Prof. Helga Silaghi - University of Oradea, Romania
Assoc. Prof. Mirela Pater - University of Oradea, Romania

Members

Assoc. Prof. Darie Șoproni - University of Oradea, Romania
Lecturer Mircea Arion - University of Oradea, Romania
Prof. Daniela Popescu - University of Oradea, Romania
Prof. Robert Győrödi - University of Oradea, Romania
Prof. Alexandru Gacsádi - University of Oradea, Romania
Prof. Cristian Grava - University of Oradea, Romania

Conference secretariat

Assoc. Prof. Liviu Moldovan - University of Oradea, Romania
Lecturer Elisa Moisi - University of Oradea, Romania
Assoc. Prof. Ovidiu Novac - University of Oradea, Romania

TOPICS

Electrical Engineering

Electromagnetic field analysis and applications
Circuit analysis and applications
Numerical modeling and simulation
Electro technology, energy conversion, materials
Electric and electronic measurement systems
Electrical drives and electro-mechanical systems
Renewable energy
Power engineering

Electronics and Telecommunications

Signal and image processing
Neural systems and cellular neural networks
Applied electronics
Power electronics
Electronic circuits, systems and robotics
Telecommunications

Computer science and control systems

Software engineering
Intelligent computer architecture and logic design
Computer networks, security and dependable computing
Web and mobile software developing
Databases and data mining
Advanced information technology
Applied informatics and real-time systems
Artificial intelligence and robotics
Modeling and simulation in automatics
Advanced control of electrical drives
Modern control systems
Human-machine interfaces
Advanced production systems

IMPORTANT DATES

24 April 2017 New deadline for submission of full papers (4 pages)
04 May 2017 Notification of acceptance date
08 May 2017 Final submission deadline of camera-ready papers
09 May 2017 Authors registration deadline
